ST. PETER THE APOSTLE CATHOLIC SCHOOL

Shawna Taitano
Principal, St. Peter the Apostle Catholic School

staitano@spacschool.com

Nico Barillas graduated from St. Peter the Apostle Catholic School in 2021. After graduating eighth grade, Nico attended Mission Vista High School in Oceanside. His high school experiences helped him to follow his passions and helped guide him on the way to his

engineering career pathway. After graduating high school this year, Nico will be attending University of California, Riverside in the Fall where he is driven to complete both his Bachelors and Masters of Science in Mechanical Engineering.

When asked how St. Peter the Apostle Catholic School prepared him to be a leader, Nico stated, "St. Peter's instilled a leader mentality into me, which was founded on a never-ending initiative to serve my community.

Throughout the school-year, students are called to lead by God, and through acts of service, this school molds the future leaders of tomorrow. St. Peter's has given me multiple opportunities to give back to the people and allowed me to find my own family in the community".

Nico also emphasized the importance of Saint Peter's Academic preparation. He said, "The robotics program taught me invaluable information and gave me a head start in my high school engineering classes, where I graduated with Project Lead the Way in Engineering". As mentioned previously, he later went on to study Mechanical Engineering at UCR.

Nico reflected on how his Catholic Education impacted him personally, "St. Peter the Apostle helped instil integrity and build a strong character alongside my academic journey. St. Peters significantly helped me academically, as it allowed me to place in higher classes throughout high school."
