We are proud to celebrate the outstanding achievements of our middle school students at the Greater San Diego Science & Engineering Fair! Stella (7th grade), along with Gunnar and Mateus (8th grade), earned 1st place on their projects in their

respective categories. We also congratulate Abbey (8th grade), who was awarded 2nd place in Microbiology.

Their hard work and creativity were evident in the projects they proudly presented. We are incredibly proud of all our students for using their God-given talents to explore, discover, and grow.

Happy Easter
